YAZMIN FANTASY LOVER

I'd just like to say that I had extreme please (six times) enjoying the pictorial on Yazmin (Beltran) in your last issue. What a hottie she is. It seems like the exotic little nymph loves her body and showing it off to strangers like me. She knows that doing to will make my cock rock hard. Fucking Yazmin would be like something out of every man's fantasy. Spreading her legs wide, all the exotic babe would ever have to say is "plow me as hard and as fast as you can..." She looks young and innocent, but it's obvious the dark-haired chick is a naughty, dirty fuck. She oozes sex from every pore. Then I would flip her over and admire that fine, full ass for a minute before diving into it head first and licking it from her anus to her clitoris. Then, when she was good and wet, I grab those butt cheeks and drive my incredibly hard cock deep inside her. I'd do exactly as she asked, Plow her hard and fast until she was screaming out for more. And then I'd give her more. And then more again.

- Mason G.

LICKING ASS FOR MONEY

My girlfriend and I were fresh out of college and we made a pact — if we couldn't find work within a year that didn't involve waitressing, we would both audition to do some stuff in the adult world. You know, without getting too involved, just to make enough money until a real job came along. Without putting too much effort into finding a real job, a year flew by and the we kept our word and found a photographer who took some photos of us together to send out. We had started experimenting together when we became roommates in college — we were both each other's first female lover — and now all we want to do is discover new raunchy ways to pleasure each other. We had mastered so many pussy loving tricks over the few years, that we had lost count. Somehow though, we still keep things exciting and invent new pussy pleasing techniques all the time. Now we are getting paid for what we love doing. We even have learned to like licking buttoholes just like girls in your magazine. It actually felt reall good and turned out be a lot of fun. Today – we got our first call from a video dude.

- Chloe M. & Holly H.

A fiery redhead is just the thing that we can't get enough of. Kitty started by talking about what it took to get her all fired up. She tells us how she loves to have her pussy played with and was happy to show us firsthand. After that got out of the way, we brought out the cock and she demonstrated her blowjob skills! Kitty could not help but play with her perky tits as she sucked a big cock. Then we watched some more as her pussy swallowed it also.

Jackie is a gorgeous 23 year old with a delicious body as slim and lean as an alley cat. I decided that I must have a slice of this beauty for myself. I managed to get her naked and within minutes our mouths and fingers were exploring each other. Turns out she was very skilled and after licking and fucking me with her fingers, I had a body shaking, couch clutching orgasm. I then had to taste her pussy so we got in the 69 position and I licked away until the only thing she could think of was the amazing sensations I was creating in her pussy. This was our afternoon that turned into our evening that turned into our morning. Jackie and I have become good friends and even to this day the taste of her pussy stays with me.

BLAIR-NTS-03

MILF

The adult business goes mainstream again with the MILF. But who is she, really? Society needs to know!

What is this mysterious creature called the “MILF”?

Yes, we all know what the acronym means – Mom I’d Like to Fuck” – but how do you spot one? How do you know that she will actually return the fuck? Does she have to be an actual ‘mother’ who’s had or has kids? Is there an ideal age for the MILF hunter to seek? All are good questions and there are several different descriptions, so let’s break it down a bit and see if we can learn something more about them.

First of all, spotting MILFs is not that difficult. They are all around, supermarkets, shopping malls, the airport, or even in the right in the car next to you.

“I have no problem spotting a MILF,” says Tommy D. from Cleveland. “What I do is look at every woman I am attracted to and then begin to eliminate them one by one until I get down to the final two or three. I’m usually in a mall when I do this so I can follow them around and see if there are any other signals.”

What kind of signals do you look for Tommy?

“That’s tough question. I like to sit at a well located bench at the mall with my iPad and just watch. It’s kind of an intuitive thing. I like them in their mid-thirties. Nicely dressed and looking frazzled by shopping. She may be carrying too many shopping bags or with a girlfriend. I stay away from a mom with kids. Her focus is elsewhere and it needs to be on me when I approach.”

How do you get their attention? What do you say when you do?

"First of all, I dress nice and am sure to smell good. They need to remember me by smell, too. Really important. But I have to get close enough for them to smell me. For instance if one is window shopping, I will come up next to her and point something out in the display and ask her a question. Women like to be helpful. Sometimes I'll intentionally bump into her because I'm looking at my cell phone or iPad. But you have to apologize quickly because people do not like it when you bump into them looking at a phone. It's a fine line but practice makes you better at it. I've even picked up a fine MILF at the food court one time."

How do you 'close the deal'?

"Ah, that's the \$64,000 question. I'm cool and I'm smooth. Believe it or not, I practice in the mirror or with a friend willing to help me. It helps if that friend is female!. Facial expressions are important. The look, the smile, the nod of the head. I dress nice. Not ostentatiously but simple and clean. My shoes are polished, my fingernails are trimmed and polished. Every button is buttoned. Only my hair is just slightly disheveled. It's

important to know women. If you get their attention, you know they're going to check you out. They don't want to think that if they're going to talk to you or spend some time with you that they're getting a 'loser.' They want something better than what they'll be leaving. I think they want a man that they can take care of and can take care of them, too."

And when you get them alone?

"Well, I do what every hot-blooded man would do. I try to seduce them. They are going to be work, all their guards will be up. No bed on the first date. If you want that, go to a bar. The chick will be drunk, and if you get her home, she'll probably pass out after a few minutes. That's not for me. I may strike out 90% of the time, but man, those 10% are the wildest sexiest most passionate women I have ever fucked. If they're willing to give it up, they'll fuck your brains out!"

Lacey, you're what most guys would consider a MILF. Have you ever been called or hustled as one?

"I have to admit that I have, and more often than I imagined. Ever since this MILF thing has flourished, I get hit on at least once a week. Sometimes it's just something I overhear, intentionally or not. Sometimes it's more direct from guys who think they can get with me. I'm a floor nurse at a major hospital in Atlanta and I see all types. Even the patients will hit on me. But visitors and medical product reps are the worst. For visitors, they have hours to spend with their friends or family in the hospital room so they're looking for something to break up their visit, and that's usually hitting on me. But the med reps are the worst. The men will lean over my desk and get in my face about going out. Their cologne is usually too strong, as is their come-on."

Have you ever done anything about it?

"Hell no. Most of what I just said, is a turn off, not a turn on. Just because I'm in a closed space, they think it's like shooting ducks in a pond. Throw enough bullshit

MILF

at me and I'll swoon in your arms. I think not! But even when I'm not working at the hospital, I get hit on. I'm attractive and I dress nice, but I don't wear my wedding ring (long story). I think that's more of a magnet for men than wearing one. But okay, I do admit that I did hook up one or twice with guys that hustled me, but not at the hospital. One was on an airline flight where I was sitting next to this handsome 50-something, and we hit it off during the flight. We were headed to Vegas to different conventions and spent just one night together. You may think that was just a pick-up, but during some of our conversation we talked about MILFs, so I count that. The second time was with a man who I met at intermission at a play. I went with my GF and this guy came over and just started talking to us. Turns out his seat was a little behind and to the right of us and he said he missed most of the play because he was looking at me. Would I have a drink with him and tell him what happened. Good line I thought and we went out."

So, how was the sex. We've heard that MILFs are the most passionate lovers.

"Do I really have to tell you? Okay, but you won't use my real name. Promise? Okay then, The sex in Vegas was fantastic. I'm 32 and have never been with a man 20 years older, but he was a great lover. Married unfortunately, but at the time it didn't matter. He has a pretty big cock and it was rock hard all night. He admitted to taking a boner pill, but it didn't matter. It was like sucking a steel rod. We went at it all night. Being in Vegas really helped because we both know it would be one time and no one would know about it. I let loose with all abandon, except when he wanted to put it in my butt. I wasn't ready for that. The other guy from the play was okay, but nothing to write home about. I dropped my GF, then he and I went to this hotel bar and then a room upstairs. He was drunker than me and while he

was handsome, he was a limp and stupid drunk. I left after trying to give him a bj that never finished. Yuck!"

Do you think you'll hook up with either one again?

"Well, I did get a call from the gentleman in Las Vegas, but I politely refused. I want to keep that memory as it is. But I'll admit, I'm eyeing our new neighbor. He's young professional that's just moved in. I'll give him a chance to settle in before I prance around the backyard, or fake a flat tire and ask for his help."

We'd like to thank both of our interviewees for their insight into the mystery that is the MILF!

Sunny has become one of our favorite girls. She's beautiful, has great curly locks, and has an amazing body with pretty natural boobs and an ass you want drill. Oh did we give it away? So low and behold, we find out she loves anal sex. We scooped her up and put her to the test right away. Zoe and Ally

Zoe has recently become friends with an up and cumming photographer, who's invited her to pose for a test shoot with her friend Ally. Always forgetful, the photographer had to make a trip to the camera store and will be gone a while. Alone in the studio, the two ladies decide to make the best of it and start without him. When Zoe asks if she would like a closer look at her breasts, one thing leads to another, and before long the tongues are out, the sheets have been pushed to the side, and the two stunners are tonguing and fingering each other to orgasm.

"Get your ass out of bed, lazy bones!" Let's do something fun and exciting – or – we could just hang out and do nothing." Kenja says in an insistent voice.

"Okay, okay. Just give me an hour to get it together." I tell her and hang up. Now I have to find something to wear. I have to shower. First things first. Something to wear. I wanna look nice for her. I always want to. Tank top and girl jeans. That's probably nice looking but comfortable enough. Black is good because then I don't have to wear a bra. I've got less than an hour to shower and get dressed. I step into the shower, grab the soap and start soaping up. My hands spend a little extra time around my now-hard nipples and full breasts.

I grab the razor and shave down my pussy hair until it's almost all gone. I love the smooth feel of my skin and the sensations seem amped up right after I shave. Grabbing the soap again, I lather up my hands and run them through my newly shaved pussy. I carefully shave around the edges and on the lips, leaving just a small patch on the front. Then I stand up, reach up, take the shower head down, and turn the spray to massage. I turn the water pressure all the way up and direct the spray at my clit and within seconds I'm ready to cum. The stream of water is still on my clit and it makes my little spasms even stronger than they had been before. I'm thinking of Kenja being with me and licking me until I get off. Well, that sends me over the top as my pussy goes into seemingly endless spasms.

Suddenly I remember my time is running out. Kenja will be over soon. I climb out of the shower and pat myself dry. Checking my clock I have only twenty minutes.

I go back into the bedroom and pull on the clothes I picked out earlier. The doorbell rings and I race downstairs to unlock the door and let Kenja in. She's stunningly beautiful as always with her dark blonde hair just touching the tops of her perfectly-sized breasts that are barely constrained by her tight top.

"Hi, Kenja." I greet her. "How's my favorite MILF." She smiles back and touches my cheek as she enters the house carrying a small plain brown bag with some tissue popping out of the top of it. As I close the door, I watch this little tart come in and think what a great ass she has, too. I tease her with that MILF line. But, unfortunately for me, she probably is straight, very religious, or has some hunky boyfriend drooling over her when they're together.

"Hey, birthday girl, come on over here and get your present, baby. Let's go to

the living room?" she says. I head into the large living room and sit on the sofa. Memories of sucking some hunky man's cock right here on the sofa, but now I must push them away. Here and now there is no sex, I tell myself as Kenja sits down the couch next to me, placing the brown bag in my lap.

"Go ahead, open it now! What are you waiting for?" she says excitedly. I grab the bag and open it just enough to peek in. I look up at her, kind of confused, and she's got this big grin on her face. "Pull it out." I reach in and pull out a shiny black seven inch vibrator. I look at her with a quizzed expression because I always thought she was kind of close-minded about sex except maybe with her long-time boyfriend. Apparently not. I must be reading her wrong.

"Pretty cool, huh. Don't you want to turn it on and give it the old college try. I just love using 'em!" she proudly announces.

"Do you mean now? In front of you?" I protest. "Yes, silly. Do it now." she says excitedly as she jumps off the sofa and swings her legs over me, straddling me as I sit on the sofa. Suddenly, we're facing each other and she's looking directly into my eyes.

no complaint and even lifts her hips for me to take them off. I finish taking off her pants and feel her pussy through her underwear. She whimpers a bit and her hips push into my hand as I find her clit. Without warning, I jerk off her underwear and pull her hips up to me and bury my face in her hairless pussy. I've never done this with a girl before but it just came so naturally. She flinches in pleasure as I brush her clit with my tongue.

With one hand I reach up and begin to massage her beautiful boobs again, rubbing and pinching the nipples while caressing the beautiful surrounding flesh. She's nearing orgasm, I can tell

I savor her kiss, the softness of her lips and the sweet smell of her lipstick. I bravely decide to pull her close, feeling her larger boobs press against mine. Then I feel her hands moving up and down my sides, tickling me. I can feel my nipples get harder and to my surprise she make feels them and pulls up my tank top and immediately starts licking and sucking on one and then the other. I reach under her tank top and touch her perfect boobs with my hands and caress them gently. Her nipples stiffen under my touch and I languish on them for minutes before cupping and squeezing her boobs.

My hands play with her breasts and nipples and she moves in for another kiss as she moans a little in my mouth. I break the kiss this time and take off my own shirt. Gently, I alternately take her perfect nipples in my mouth, licking and sucking at them until they are hard, blowing on them, and biting them gently making her whimper. She's loving it and when I reach my hands down to unbutton her pants, she makes

by the tension in her body. I stop sucking for a moment and Kenja whimpers for me to continue. Instead, I put two of my fingers in her slit, pushing them in and out gently. She seems to love this, raising her hips up for me to go deeper. Boldly, I reach around the sofa to find the new vibe.

I turn it on and hear the soft buzzing muffle as I gently push it into her wet pussy, I feel her pussy muscles spasming hard around it as her love juices leak out around it. Holding it there, I

move my face up her body to kiss her. Again her lips meet mine and our tongues dance to the beat of our hearts, with the vibe providing the music. We lie kissing side by side for a while and she suddenly moves from my mouth down to my boobies and pretty brown nipples. As she licks and sucks them, they get hard and sensitive, and I feel little fiery shivers coursing down my back into my soaking wet pussy. She reaches toward my dripping slit as tension's building, waiting eagerly for her to touch me. My hips jump toward her hand and I feel warm and tingly inside. She slips a long finger inside me and feels around, making me squirm.

She still has the vibrator inside her, and I can tell it's bringing her close to another orgasm. She slides another finger into my pussy, her thumb hits my clit, and I jump again. She notices and taps it again, evoking the same response. Seeing this, she rubs her thumb up against my clit in little circles. I involuntarily begin to gyrate my hips along with her motions. It feels wonderful and I'm on the brink of climax in seconds. Suddenly, she stops everything, tenses up, and moans in powerful orgasm from the vibrator still inside her. Her body shakes and spasms, humping the vibrator. I reach down and gently remove the vibrator from her still spasming slit.

We lay in the bliss of our first time as lovers and after a few minutes she gets up and goes to the bathroom. I fall asleep, half-naked on the sofa. A while later, I get woken up by an unfamiliar buzz on my clit and a tongue on my pussy. I revel in the feeling a while, hoping it's not just a dream. Suddenly, I remember what happened previously and I open my eyes to find Kenja lying between my legs with a yellow vibrator in hand, pushing it into me and her tongue on my dripping slit.

My pussy involuntarily reacts to the double stimulation and in my half-sleep, I buck my hips uncontrollably sending hot gushes of girl-cum into her waiting mouth. She sticks her tongue in my dripping passage, feeling around a bit, and it makes my cli-

full length of me. Our wet, naked bodies touching tip to toes, and it's a sensation like I've never felt. She was a blanket of beautiful female flesh pressing all her delicious parts against mine.

Early in the morning, we get up and I decide to make us some eggs and coffee and talk about what just happened. She told me she had always wanted me and didn't know how to break the ice, so she thought of getting the vibe for my birthday and surprise me with it. She said her upbringing wouldn't have let her do things like, that but her urges got the best of her. Well, I thanked her for fulfilling her urges and we kissed again.

max even more intense. Suddenly, she takes her mouth away and shoves this new vibrator into my pussy all the way to the hilt, hitting the back of my vagina. I scream in pleasure and pain. She holds the vibe in me on low so I'm still stimulated, and moves up my body for a kiss. Our mouths meet once again. She lies quietly on top of the

She cleared the kitchen table, pulled me to sit up on it and got the vibe. I opened my legs to receive it. Needless to say we didn't finish our coffees.

Kyle is one lucky dude today! Rochelle's a hot smoking milf whose also Kyle's English tutor. Fortunately, she does not have tutoring on her mind today. She makes him promise that he will not say anything to anyone. Then taking control, it's zipper down, cock out, mouth down and tongue out. He has no choice but to reciprocate or there will be an 'F' for the lesson. The only 'F' Kyle wants is the one that ends in 'UCK.' Be assured Kyle gets better than an 'F' and more than an English lesson.

Mallory finally got Kira to go on a date with her after several tries. Kira was just so nervous because she thought Mallory was quite beautiful. While on the date, Mallory fed her some desserts and told Kira how she was going to ravage her body. Kira could not resist and went home with her new friend. Once they got home, Mallory pushed Kira up against the wall and as she promised, began making out with her. Soon after, they were undressed and eating each others luscious pussies and assholes. The photos tell us so.
